

Ashley Cross Maprun Information

The course has been designed to take runners to some of the best viewpoints of Poole Harbour within the Lower Parkstone area.

I have assumed that runners will park in the Commercial Road Car Park in Ashley Cross, What3Words - list.spite.slip

The car park is open 24 hours a day, parking charges can be found here:

<https://www.bcpccouncil.gov.uk/parking/find-a-car-park/commercial-road-surface-car-park>

The car park is regularly patrolled by wardens, so I suggest runners purchase a ticket for longer than they think they will need.

The nearest free parking (if spaces exist) for up to 2 hours is available in Britannia Road and Glenair Road to the west.

To avoid runners accidentally triggering the finish, I have located the start approximately 150m to the east by the fountain on Ashley Cross Green. Runners should leave the car park facing the Co-Op and head east in front of Howden Insurance and Indi's Indian Restaurant, and cross onto the green.
